In Ma-Niketan this year we had 30 new admissions. Each case is a unique story. Parents are died of Hiv/Aids, Suicidal death of parents, Parents separated and children are left without anyone. Such children find a home in Ma-Niketan. The children are broken physically, mentally and emotionally at their tender age. Yes we cannot repair the damage done to them or replace a mother. But our sincere efforts are to give them self worth and human dignity. Through shelter, food and good education they are help to build their future with hope and courage. Besides educational help, they are given opportunities to develop their skills according to their aptitude and interest.

Thank you so much for the donation that you sent every time for the children .Our hearts filled with joy we sing of gratitude to you for helping us to reach out to the many poor children giving them good education, shelter, care in our home and empowering them to make a better tomorrow. Your generous contribution enables us to care for many faded buds and encourage them to blossom and grow so that they spread their fragrance of love to the world.

Thank you for all that you have been to our home and the children. Without your support and generous help it would be impossible to help the many children for their education. Thank you and May God bless you and give success to the work of your hands, and keep you in good health and happiness always.

Thank you so much for the Amount of Rs that you transferred to our A/c. Receipt ALREADY POSTED. Sorry to tell you that I did not get the e-mail what you sent last week.
