Dear Barbara and friends, (Witten group)

Greetings of love and prayers from all of us, children and Sisters of Ma-Niketan.

Thank you so much for the donation of **Rs.10,26,892/- (Rupees -Ten Lac Twenty six thousand eight hundred and ninety two only)**. God's love has shown to us through you, through your boundless generosity and constant support. Your unfailing help has allowed the children, to find a better future.

We are most happy to inform you that the results of the 10th std was very good. 35 girls appeared for the exam, 34 of them passed with good marks, and one of them Deepa Bhanushali secured 75% marks. 6 of them got above 65% marks. The results of the 12th and 11th were also good. And 8 girls who passed out the H.S.C joined their professional training like **General Nursing, Bsc Nursing , Paramedical one year nursing , Bachelor of Commerce, Computer courses etc.**

In Ma-Niketan this year we had 35 new admissions. Each case is a unique story. Parents are died of Hiv/Aids, Parents separated and children are left without anyone. Such children find a home in Ma-Niketan. The children are broken physically, mentally and emotionally at their tender age. Yes we cannot repair the damage done to them or replace a mother. But our sincere efforts are to give them self worth and human dignity. Through shelter, food and good education they are help to build their future with hope and courage. Besides educational help, they are given opportunities to develop their skills according to their aptitude and interest.

I am glad to tell you that we are blessed with plenty of rain. Thane has enough rain everything is looking greener and beautiful. Due to this damp climate, some of the children are having viral fever and now slowly they are recovering.

All the children send you a world full of love and smiles.

Yours Sincerely,

Sr. Indumati.
