

Dear friends,

Greetings of love and prayers from all of us, children and Sisters of Ma-Niketan.

We are deeply grateful and glad to tell you that your thoughtful help and contribution to our institution is very much appreciated. Thank you so much for the donation which you contribute always for this children. Thank you so much for your generosity. Words are inadequate to express our gratitude, but we remember you with love and keep you in our prayers and ask God's blessing on you to the full and to the overflow

In Ma-Niketan this year we had 11 new admissions. Each case is a unique story. Parents are died of Hiv/Aids, Suicidal death of parents, Parents separated and children are left without anyone. Such children find a home in Ma-Niketan. The children are broken physically, mentally and emotionally at their tender age. Yes we cannot repair the damage done to them or replace a mother. But our sincere efforts are to give them self worth and human dignity. Through shelter, food and good education they are help to build their future with hope and courage. Besides educational help, they are given opportunities to develop their skills according to their aptitude and interest.

We are most happy to inform you that the results of the 10th std was very good.30 girls appeared for the exam,28 of them passed with good marks, and one of them Sneha Ankush Keshar from Vishwakamal secured 80% marks.6 of them got above 65% marks. The results of the 12th and 11th were also good. And 9 girls who passed out the H.S.C joined their professional training like General Nursing, Bsc Nursing , Paramedical one year nursing , B.com etc .

Thank you for your full co-operation and collaboration in fulfilling our mission fruitfully. It is with sincere appreciation I say: Thank you for bringing love and hope to these innocent hearts.

Yours sincerely,

Sr. Indumati.
(Sister in charge)
