Dearest Barbara Wylich and Friends,

Loving greetings and good wishes from all the children and sisters of Ma- Niketan.

Thank you very much for the **Euro -12500.00(Rupees- 8,84,841.00/-)** which we received few days ago for the education of children. I appreciate very much your thoughtful and valuable contribution towards Ma-Niketan especially to the children. Yes we take care of these less fortunate children whom God has entrusted to our care. But you and many friends like you share in our responsibilities with your generous contribution, thus we can continue our work with hope and courage. We experience God's blessings in a mysterious way through many kind people who reach out to us in unexpected moments. We thank God for the gift of you to us. May the good God bless you and give success to the work of your hands and keep you under His loving care always. This is our prayer for you today and always.

Now the children have completed their final examination .32 of them appeared for the 10th class, 25 of them for the 11th and 16 for 12th class. For the others results have been declared .All have passed with good marks. Those who went to class 10th have already begun special classes. At present the children have their summer vacation. They are kept busy with computer class, dance class and the other entertainment like picnics, outings and movies also workshops on values and value educations.

Once again thank you for your support and keep you united in our prayers,

Yours lovingly,

Sister Indumati
