Dear Barbara Wylich,

Greetings of love and appreciation to you

We are blessed beyond belief because you just do what we really require for the children of our home. Your generosity and care for the deprived sections of the society of India is incredible. We know it's only with your kind support we can continue this journey of our mission. My sincere thanks to you Dear Barbara for sending us the sum of which is realized **Rs. 9, 64,374.68/-** as Indian Currency on **2nd May, 2018**.

I am deeply grateful to you and to the Almighty as well for sending you to me, to the children whose future will be brightened through the education they receive. Thanks-a-lot There is no way to fully express our gratitude for your loyalty. This amount will be utilized for the **Trust** activities of **Ma-Niketan** to empower primarily the children and girls, for their academic studies, value education, skills training and professional trainings and thus building a bright future of the children who are orphans, semi-orphans and from poor families.

While the regular school studies and the coaching classes are on they also have different value based entertainment program. You can view a few programs the children were fortunate to participate in during the past couple of months:

26th January 2018, the India's 69th Republic day the student of NKT College known for "Spreading Happiness" organized small programme at Ma Niketan. Approximately

150 children took part in this event. In these days there is lot of interactions with other school children. The NKT College students displayed a talent show by singing songs; dance and they also came up with a meaningful skit which gave a vivid importance to the topic 'Save Girl Child'.

Ma- Niketan children also presented few dances. At the programme a group dance performed by the B.Com students of NKT College. At the end snacks were served.

On 27th January 2018, Saturday the 'Samarpan

Group' had organized games at Ma-Niketan. Such programs keep children active and enthusiastic. More exciting was the program with many stalls put up. All the children took part in this program, they were surprised and went enthusiastically to every stall and played the games accordingly, there were given on the spot prizes to all participants.

On 21st February: the **Thane-Police Commissioner** along with his wife visited Ma- Niketan on the occasion of his birthday. His visit was just to cheer the children of the Home. He cut cake in the presence of the children and snacks distributed to them.

CAREER GUIDANCE:

25th March, Sunday: Dr. Sandeep Mane and his team from the Origin Hospital, Thane, had organized Career orientation for Ma-Niketan children. The total number of children ranged to 85 of

them who participated in the session. The children were given direction to make their own career plan.

The session began with the instructions given by Dr. Sandeep. In his speech he emphasised how to be on the right path. He briefed the children with the following points: (i) **always be happy and be positive.** (ii) **Plan-Execute-Evaluate-Learn and Enjoy.** (iii) **Absorption-Consolidation-Donation.** (iv) **Grab the Opportunities and do your best** and finally he added when you aim at a goal seriously (v) **ANYTHING IS POSSIBLE.**

Session was ended with common group distribution and clarifications.

Children are also given some importance on religious practices. During Lenten season, on Maundy Thursday, there was an agape meal served for all and prior to which a short enactment on the passion of Lord was done by children

After the final exams of the year, the children are on holidays at present. During vacation they are more relaxed to do different things than what they did during their school days. It's rather a time for relaxation, leisure and enjoyment. The weather here in India is very warm and we feel a bit restless but that's alright.

How are you? When are you coming to India? Perhaps the winter time you could visit us because that is the real season you'll enjoy being in India. So, we hope to meet you. Dear Barbara. Please convey our greetings to your family members, your group members, all those who spare themselves for this good cause. We wish you all the best in all your endeavours and God's choicest blessings on you and your family members.

With much love and prayers
Yours gratefully
