7th Dec. 2019

Dear Barbara Wylich,

Greetings of love and appreciation to you

Expressing thankfulness energizes, enhances, and empowers. Those who drink richly from the cup of thankfulness find themselves refreshed and their cup refilled. With great thanks and feeling of gratitude in my heart let you know that we love and pray for your wellbeing as you continue to bless us with financial and generous contribution which lightens our shoulders to give dignity to these deserving people under our care. I extend my sincere thanks to you dear Barbara for your generous contribution of **Rs. 977823.76 (Nine lacs seventy-seven thousand eight hundred twenty-three rupees seventy-six paise only)** Which is credited in our account on 5th Dec. **2019**. Having the receipt **No. 3552**. This amount will be utilized for the care and education of Ma Niketan children.

The children of our institute are given number of opportunities to come up in life and make their future bright and beautiful. I have witnessed during my canonical visit to the overall development of the children which brought tremendous change in the lives of newly admitted children to the institute. Even though their academic education is mainly attained from outside the premises and in the institution, they are trained in various other skills such as leadership skills, health and value education and provide them opportunities to participate in extracurricular activities. At Ma-Niketan they are enabled to blossom into mature women as they experience love, warmth and the feeling of security. they are guided according to their talent and aptitude so that they choose the right professional/ vocational trainings like general nursing, hotel management, IT, computer training, teachers training, travel and tourism, fashion designing etc.

We pray that our joined effort be blessed and may God help our children pace forward to accomplish their own dreams. We pray for God's blessings and wish you the best in all your endeavours.

With much love and prayers

Yours gratefully

Sr. Amrita SHM
