Dear Barbara,

### Greetings of love and appreciation to you

I am privileged to thank you for you are the reason to make a difference in the journey of our lives. Thank you very much for the love and concern towards our society's activities for the upliftment of the poor and most deserving humanity. Thank you for your generous contribution of **Euro 12,450.00 = Rs. 10,78,845.69 (Ten lakhs Seventy Eight thousand Eight hundred Forty Five and Sixty Nine paise only)**. The amount is credited in our account on **9<sup>th</sup> Dec. 2020** having the receipt No. **3596**. This amount will be utilised for the welfare of Ma Niketan Society.

The Year 2020 – we can say it's an iniquity which brought by COVID-19 and other disastrous events have increased the of the society to raise its commitment to those less fortunate. Even in our nothingness and in loss of jobs and poverty every person has come to the knowledge of where we are at present. Financial status of the society has brought about change and challenge creating worries. The schools remained online, travel mode have become tough, people are restricted to remain within their areas and slowly life is coming to normal. But the worry has become the product of a future that we cannot guarantee. Only prayer and perseverance can help us to be enduring and engaging in serving the less fortunate at the need of the hour.

Children are bored up within the campus where they cannot go out and meet their friends and teachers. At the same time, some are hooked to the mobiles and technology and which is at risk for their near future as they will opt for different things. They have gained weight and much of disciplined life. We are assured that you will continue to support us and be with us to serve the neglected and unwanted. Our prayers to you and to all our generous friends. Please convey our greetings of love, peace and joy to all your group members and family friends. As we light each advent candle, we spend a humble calm moment and think of you and pray for your every intentions and dreams.

With much love and prayers

Yours gratefully
