Betreff: Note of Acknowledgement

Dear Barbara Wylich,

I acknowledge your contribution of Rs. 10,25,505.33, which has realised in our bank on 5th June 2020. Today we have received the information from the bank about the transfer of money. Thank you very much dear Barbara for thinking of Ma Niketan children's welfare and for their bright future. Children are in the Institute, we did not send them for their home holidays due to covid 19. We arranged them different activities in our homes, where they were occupied in learning and disciplining themselves. All the sisters and caretakers are on their feet sparing themselves for children, especially these days when they are at home, it is important that we attend to their every need. Overall everything is fine here. Still lockdown is not released completely, we have still virus spreading and everyday new cases. We don't go out unless it is an emergency. Please continue to pray for our mission.

Please convey our love and gratitude to all your family members and friends.

May God bless all your efforts,

Thanking you,

Sr. Amrita SHM
