Dear Barbara,

Greetings of love and appreciation to you

“To speak gratitude is courageous and pleasant, to enact gratitude is generous and noble, but to live gratitude is to touch heaven” and you my dear Barbara has touched our hearts by your generous contribution of Rs.9,64,703.00(**Nine lakhs Sixty-four thousand seven hundred three only**) which is realised 20th Dec. **2021**, having the receipt no. **3723**. This amount will be utilised for the welfare of **Ma Niketan children**.

How are you all? I hope with the twists of weather we all of us are sailing smoothly. We, in India especially, in Ma Niketan children and sisters are engaged in study as the exams are approaching nearby. Children are busy writing their preliminary exams and as well as unit tests. It is a crucial time, where we are living in the fear of Covid 19 (omicron virus) which is spreading widely. Though our children are in the campus still not safe because the food items what we purchase come from the market also the medicine as well as the stationery and household items for our daily living, in fact we avoid going out and only move out for necessary purchasement and medication of children. By the divine grace of God children are fine and coping up with their studies. But we still do not have the idea whether exams are going to be offline or online mode. We are sure God will take care of all that.

At present most of the classes' children are having online classes and only higher classes are going for regular half day schooling. Teachers make groups among children and help them to study by providing study material and question bank. Some of the classes have completed their portion too. Children are anxious about their exams and eagerly waiting to complete their exams. Please continue to pray that the children be safe and enjoy their study to attain success in their life in order to have a good future.

We pray that God may grant you good health to continue this journey of your effort and hard work. We send greetings of love and appreciation to you, to your friends and all your dearly loved people.

With much love and prayers

Yours gratefully
